Events with Itokazu Sensei:

Itokazu sensei arrives September 12, and leaves September 19. If you want to train during regular class times with sensei before the seminar starts, we may have extra classes available. If you want to participate in events with sensei such as joining us for dinner, lunch or other activities, I will be presenting a calendar of events sometime before August. Events and activities are not part of the seminars and will be available a la carte or as we do them. That includes the Sayonara dinner as well at the end of the event.
